Headline:
Largely dry Tuesday. Another chilly night tonight.

Today:
A fine and dry day with light winds and plenty of sunshine, though often hazy. Becoming a bit cloudier in the west during the afternoon, with the odd shower possible. Feeling warmer. Maximum temperature 16 deg C (61 deg F).

Tonight:
Rather cloudy in the west with the odd shower possible, but staying dry in the east, with a chance of clear spells at times. A chilly end to the night. Minimum temperature 3 deg C (37 deg F).

Wednesday:
Changeable and rather cloudy with scattered showers, occasionally heavy. Some of these showers are likely to merge into a longer period of heavy rain during the evening. Cooler than Tuesday. Maximum temperature 14 deg C (57 deg F).

Outlook for Thursday to Saturday:
Rain clearing east early on Thursday, then largely dry and bright or sunny but cold overnight, with a chance of frost locally. Perhaps cloudier and less cold on Saturday.
